

Contracts/Deals: BIS gives dispute resolution pilot deals to Consensio

Wed, 20 Jun 2012

The Department for Business, Innovation and Skills (BIS) has awarded its two regional mediation pilot schemes targeting small and medium-sized businesses (SMEs) to mediation and conflict management provider Consensio.

The year-long pilot will see the company train employees from 48 SMEs in either the Cambridge or the Manchester areas – the two regions involved in the pilot – to become accredited mediators.
